Attached please find a copy of a Cuban death certificate for ROBERT VESCO. I cannot validate it as true or correct, only that it is common knowledge in Havana that VESCO was reported to have died at the hospital in November of 2007 of lung cancer.

For your information, CJIS Division received a disposition report from ORI/FLDEA0100, DEA, 4077 Woodcock Dr., Suite 210, Jacksonville, FL, dated 01/13/2010. The report was for ROBERT LEE VESCO, Date of Birth 12/04/1933, FBI Number 21246B. In the Remarks section it gives the following information:

On 01-08-2010, U.S. District Judge Timothy J. Corrigan dismissed the indictment against VESCO subsequent to the defendant's death. VESCO had been indicted for conspiracy to import cocaine into the U.S. in violation of U.S.C. 846, re: case number 3:89-cr-29-J-32MCR.

I noticed also that Serial 916 of referenced case states that the USMS provided a copy of the Cuban death certificate that confirms that the subject/fugitive is now deceased.

The reason for the e-mail is to notify you that the NCIC fugitive want (NIC/W644448265) is still active for VESCO. Will you be clearing this entry? Please advise.
